Ihome bluetooth keyboard imack 134b-wm manual

20.05.202022.08.2017adminAlthough your Mac comes with the Magic Keyboard and Magic Mouse, both of which are Bluetooth devices, you may prefer the look and feel of something different. If you have opted for a third party Bluetooth Keyboard and mouse, it's easy to set up, so follow along and we will show you how!User Manual For Ihome Wireless Full Size Mac Keyboard FreeAlthough your Mac comes with the Magic Keyboard and Magic Mouse, both of which are Bluetooth devices, you may prefer the look and feel of something different. If you have opted for a third party Bluetooth Keyboard and mouse it's easy to set up, so follow along and we will show you how! Support for iHome's award-winning products including iPhone, iPod, and iPad speaker docks, alarm clocks, and headphones. Many Mac users go with the full sized Apple wired keyboard rather than a wireless keyboard so that they can have a dedicated number keypad on their keyboard. Sometimes that numeric pad seems to randomly stop working though, and suddenly numbers don't type at all, which can be frustrating to say the least. Wireless keyboard & laser mouse for Mac® notebooks. This product comes with a limited one-year warranty. Before using, please read and follow these instructions.
